

## Deluxe Memory Foam Mattress

Historically it was considered that a very firm mattress was the best thing for back problems because the posture was preferable to a soft mattress. The drawback is that it is uncomfortable and creates pressure points. The principal of our Deluxe Memory Foam Mattress is pure support and pressure relief.

### How it works.

- Choose between ‘**Medium**’ or ‘**Medium / Firm**’ based on personal preference or if you are over 18stone (115kg)
- Flexes perfectly in combination with an adjustable bed.
- 5” (12.5cm) base layer is Reflex Foam® performs in a similar manner to a firm sprung base providing excellent posture.
- The top 3” (7.5cm) of high quality memory foam softens with your body warmth and pressure points, molding to your hips, shoulders and entire body shape.
- This combination of perfect posture and pressure relief creates the ideal sleeping surface.
- Supplied with a standard zip cover. For an additional £50 you can upgrade to our hygienic luxury quilted zip off washable top cover which gives an air gap that reduces the likelihood of sweating.
