

Latex Ultimate Mattress

The 'Latex Ultimate Mattress' is the combination of the best products currently available. The soft feel top layer of natural latex which avoids overheating is bonded to the high density memory foam middle layer producing incredible support without the feeling of being engulfed into the mattress. The top two layers work in harmony with the base layer of 'Reflex Foam®' which maintains the body's correct posture. As the name suggests, this is the ultimate mattress but not cheap.

How it works.

- Suitable for all weights due to the two support layers
- Flexes perfectly in combination with an adjustable bed.
- 4 ½" (11.5cm) base layer of Reflex Foam® performs in a similar manner to a firm sprung base providing excellent posture.
- The top 1 ½" (3.5cm) of high quality natural Latex has a soft cool feel without feeling engulfed allowing you to turn easily.
- This combination of perfect posture and pressure relief creates the perfect sleeping surface for your hips, shoulders and entire body.
- Supplied with a standard zip cover. For an additional £50 you can upgrade to our hygienic luxury quilted zip off washable top cover which gives an air gap that reduces the likelihood of sweating.
