

## Delivery only

**£50 to most parts of main land England.** Additional charges apply to Central London, Isle Of Wight, Scotland, Wales and Ireland. *Please contact us to discuss location and charges.*

Due to the bulky nature of the adjustable beds we send them flat packed on a pallet to reduce the risk of damage and missing parts. The delivery company are contracted to bring the components into your property but no further than your door.

We have gone to great lengths to make the beds easy to self-assemble and installation guides can be found under our 'Advice' dropdown menu.

### **Delivery Times**

We aim to deliver within two weeks of order however this may change depending on busy or holiday periods, stock or delivery location. Should you require a particularly quick delivery time we can normally accommodate depending on your requirements.

## Delivery & Installation

**£100 to most parts of main land England.** Additional charges apply to Central London, Isle Of Wight, Scotland, Wales and Ireland. *Please contact us to discuss location and charges.*

We offer a very good delivery & installation service by experienced installers that will also demonstrate the functions of the bed. There will be an additional charge to remove an existing bed. Call us to discuss.
